

Career Success

Fall 2023

Brian Stewart

stewartb@cocke.k12.tn.us

Subject Description

Skills for Success exposes students to skills and knowledge that will aid them in a successful transition into postsecondary education and life after graduation. Students will learn about careers of interest, postsecondary education options/institutions, resume building, social/emotional skills, and various other topics that will prepare them for life after high school.

This class will combine lecture, discussion, video clips, music, and individual outputs and assessments. Students are expected to visit the Google classroom from time to time to check the coursework and accomplish them before the specified due date.
