-What is art, anyway?

-Why do humans create art? ?Purpose? Origin of Art?

-How art relates to CULTURE? Ok, what is culture?

-Continually building an art vocabulary

-Building Art Appreciation .... Learning how to LOOK and ALL kinds of ART

-Autobiography .....Art of Me collage project

-Study of symbols

-Art History

Drawing / Painting / multi media projects - all projects will be based on

## **ELEMENTS & PRINCIPLES OF ART**

# GOALS OF VISUAL ARTS 1

...TO SEE DIFFERENTLY

...TO THINK DIFFERENTLY

...TO FEEL DIFFERENTLY

...HOW ?

## BY DOING WORK IN THE FOLLOWING AREAS :

**\*Studio skills...developing drawing, painting, creative skills**

**\*Aesthetics...develop a sensitivity to beauty / art**

**\*Art History...learning / becoming aware of how culture/world events influences the development of art**

**\*Criticism ... Learning how to look at works...as well as your art ... seeing what is there / evaluating it**

**\*School projects**

**High School art is more an academic class...it is NOT just "doing fun stuff" ...we will have FUN but there will be serious times as well when we need to think and focus...learn to know the difference and act accordingly**
