

## Syllabus

**Course:** Biology I Honors

**Instructor:** Levi Cooper

**Location:** Room 104

**Instructor's Email:** cooperl@cocke.k12.tn.us

### **Course Overview:**

The Biology course incorporates new perspectives and understanding across major subdisciplines of biology. Characteristics of life, cellular biology, DNA, genetics, ecology, and evolution are some of the areas covered. As an introductory course in biology, students are prepared for college and advanced placement courses. Students will be sensitized to various moral and environmental issues being brought to the fore by research in bioengineering and other areas of biological research. They will be provided with tools with which to make educated decisions regarding these new technologies and developments.

**Textbook:** *Glencoe Biology*

### **Grading Breakdown**

<b><u>Daily Grades</u></b>	Labs, Quizzes, Worksheets, Activities, Participation
<b><u>Test Grades</u></b>	Chapter Tests, Vocabulary Tests, Prefix/Suffix
<b><u>E.O.C (15%)</u></b>	TN Ready E.O.C Exam (15%)
<b><u>Final Exam (5%)</u></b>	Comprehensive Final Exam

### **Expectations of the Instructor:**
